Shop Work Nights

Every Tuesday Night from 6-8 pm we will have a work night. We will take off for holidays and inclement weather. If school cancels on the Tuesday of scheduled work, we will cancel a work night. Be sure to watch our Facebook page for updates about Shop Nights.

We will begin with food and then spend the time working on the race cars. We will create teams and then do a weekly challenge to incentivize teamwork and creativity. The winners of each challenge will get something special or in addition to the normal parts for a car, so make sure to try hard. Along the way we will choose Team Captains that will organize and watch over their team to ensure their cars are prepped for weekly events.
